

Bench Joiner

We are an expanding Joinery Manufacturer, specialising in Staircases. We are looking for a hardworking, efficient Bench Joiner with a flexible and mature approach to work.

You will need to have an excellent grasp of all workshop based joinery especially the manufacture of Staircases, Windows & Doors.

You will also need a good standard of written English and Maths. You will need to have NVQ levels 1, 2 & 3 in carpentry & joinery, and a minimum of 1 years work experience is preferred.

Experience with setting up and using various machines is essential.

Salary is dependant on experience.

Please send all CV's & questions to info@asdjoineryltd.co.uk
